

Morgan Hilliker (Understudy) is thrilled to be covering all tracks as *Midsummer Nights: A Dream's* overall understudy. Morgan graduated from Niagara University with a BFA in Theatre Performance double majoring in Gerontology. She enjoys spending time with her family and friends, and one day would love to have her own music therapy company using music to help those with dementia. Some credits include Sally Bowles in *Cabaret* (Niagara University Theatre), Wendy Darling in *Peter Pan* (The Yellow Door Theatre Project), Dorothy in *The Wizard of Oz* (Linus Hand Productions), Little Girl in *Ragtime* and Dixie in *Cat on a Hot Tin Roof* (The Shaw Festival), and was set to play Hero in *Much Ado About Nothing* when the week before opening night COVID hit and the production was cancelled. She looks forward to finally being a part of a Shakespeare production that actually gets to be performed and is grateful for the experience.
