

Kendelle Parks (Oberon & Hippolyta) [she/her] is excited to be joining *Midsummer Nights: A Dream* as Oberon and Hippolyta. She is a Black Canadian actor, and overall theatre artist. She is a recent graduate from the acting program at Toronto Metropolitan University (formerly known as Ryerson), and her art is driven by her general curiosity for people, power dynamics and complex relationships, which she believes are integral to engaging storytelling. Kendelle is thrilled with each opportunity to grow in her craft and contribute to the ever-expanding landscape of the arts in Canada and beyond.
