

Alyssa Campbell (Stage Manager) [she/her] is so excited to be working with Tottering Biped for the first time as the Stage Manager for *Midsummer Nights: A Dream*. While a fan of Shakespeare, this marks her first time working on a Shakespeare play outside of her High School English Class. She has just completed her third year in Brock University's Dramatic Arts Program with a focus on production and design. She was the Assistant Stage Manager for the Winter Mainstage Show - *Red Bike*. She was a Director in the One Acts Festival for *The Miser: Life*. She continues to explore all the possibilities that theatre has to offer in her studies. Alyssa also just worked with The Foster Festival as the Wardrobe Coordinator for the World Premiere of *1812*.
